Greetings Maple View Families:

It has been a busy week for Maple View Middle School. We have had the book fair going on all week. Students have spent much time browsing and purchasing. It was open during the school day and also both conference nights. Thanks to all of you who support our PTA through the book fair.

PTA has gone above and beyond this week to put on an awesome book fair and provide our staff with dinner on Thursday when most staff did not have time to grab a bite before conferences. We appreciate all of the time and effort our PTA puts into MVMS. Here is this week's PTA newsletter: [PTANewsletter1115.pdf](#)

This last week was also our student led conferences. We had a great turnout. It is my favorite part of the year seeing families having a great dialog around the work their students are doing. I hope you were able to be here.

There are so many great BEARS Behaviors getting noticed on campus, such as helping staff with various activities, peer mentoring, cleaning up spills, and going "above and beyond" while assisting others. Keep up the great work!

Thursday and Friday are no school days for the Thanksgiving holiday. Students will go to periods 1, 3, 5 on Monday, periods 2, 4, 6 on Tuesday and periods 1 – 6 on Wednesday. There will be no Stretch during this week. On Tuesday morning, we will have 6th grade volleyball and wrestling club for students registered for these activities. There will be no after-school activities or practices next week.

Please note, there will be no bus passes issued 11/19-11/21. Contact transportation if there are extenuating circumstances: 425-413-3220.

I hope that all of you are looking forward to the holiday and some time with family. If you are traveling, be safe. Thanks again for your continued support for Maple View Middle School. We are special because of the great students and families that attend our school
