Greetings Maple View Families:

The first quarter of the school year ends on Monday, November 4th. Sixth grade students who are taking the elective rotation will finish their first quarter elective class and begin their new class on Tuesday. Those students will get a notice as to their second quarter class and location on Monday.

Also on Monday, the second season of seventh and eighth sports will begin. This season features Dance and Boys Basketball. First practice for both will be Monday, November 4th after school.

Thursday during Stretch, we will have our Veteran's Day assembly. This is a student planned and run assembly honoring our veterans. They have done an outstanding job the last two years putting together a meaningful program. I can hardly wait to see what they have planned for this year.

The combined middle school drama program will perform their fall play, "Drew Knight Private Eye" beginning on Thursday night at 7:00 PM in the Maple View Middle School auxiliary gym. Additional performances will be Friday at 7:00 PM and Saturday at 2:00 PM and 7:00 PM. Admission is \$10, Students and Seniors \$7.00 and children 5 and under free. Our drama group consistently put on excellent performances and I would highly encourage you to attend for a great night of entertainment. [DrewKnightPoster.pdf](#)

Maple View Middle School runs Student Led Conferences each November. This year they will take place on November 20th and 21st from 4:00 – 7:00 PM. Students actually lead the conferences. They will walk you through what they have been working on so far this year, the goals that they have set and what they are working to achieve throughout the rest of the school year. You will also have an opportunity to confer with your student's teachers, learn about some of the programs here at Maple View and stop by the book fair. We are looking forward to the opportunity to have our families at school and learning with their students about what is happening at Maple View. We do conferences by appointment. Most of you probably signed up while you were at Open House in September, if do not have an appointment time contact your student's STRETCH teacher and they can get you scheduled. Remember, your student runs the conference so, if they are not with you, the conference cannot happen.

Well, you did it, BEARS. You broke current recent record by 7 for the most BEARS Bucks turned in to the office in one week. Our new number at 264 BEARS Bucks. Amazing job!
