

November 22, 2019

Greetings Maple View Families:

We are finishing conference week which is always a great week as we get to see so many of our families here at school. It was great to say hello and to see you here supporting your students. It is however a long week for the staff with two sixteen hour days. In order to have staff available on the two conference evenings we trade time with them and so next week the middle schools will dismiss at 11:30 on Monday, Tuesday and Wednesday. We will serve breakfast as usual but there will be no lunches served next week. Busses will depart Maple View at 11:35 each day.

Would you believe that nearly 2,000 BEARS Bucks have already been turned in to the office? What an amazing accomplishment for the first three months of school! Keep it up!

Heather Alejo

Shane Fox

Riley McBride

Kamryn Shegurd

Boys' basketball began their season this last week with their first game at Meeker Middle School. The dance team season is also underway and they will be performing at home basketball games.

There will be no activity busses next week with the early dismissal and we will not have any after-school activities. This includes no basketball, dance, robotics or clubs. It also means no sixth grade volleyball on Tuesday morning.

The schedule for next week will be as follows: Monday will be a Blue Day students will attend periods 1, 3, 5 with no Stretch, Tuesday will be a Gold Day students will attend periods 2, 4, 6 with no Stretch and Wednesday students will attend periods 1 – 6 with no Stretch. If you have any questions please contact the main office at Maple View. This schedule is posted on our website: [MVMS 1/2 Day Schedule - Thanksgiving Week](#)

It is a short week and I think that is all for this edition. If I do not see you have a great Thanksgiving holiday and I look forward to getting back together when we return to school. Go Bears!
