SCHOOL PICTURES

Now that school is under way, we are excited to offer a "drive-thru" picture day and look forward to seeing your students on the other side of our camera, 6 feet away of course! We have created an outdoor, tented, no contact school picture experience for you!

This is a "by appointment" event, please see the link near the bottom of this email to sign up. Your school will provide more details regarding the process...

Picture days are:

-Monday & Tuesday, October 26th & 27th from 2pm to 6pm and Saturday, November 7th from 10am to 2pm all **at Maple View Middle School.**

-Monday & Tuesday, November 2nd & 3rd from 2pm to 6pm both **at Summit Trail Middle School.**

All students can go to any photo session at either location.

You do NOT have to purchase pictures to get your picture taken! These pictures will be used for your school's yearbook, Skyward and for student ID's.

We have 2 options available for you to order pictures:

Attached, please find our order form that you can print and send with your student. Just staple cash, check or money order to the form or enclose it in an envelope and attach that to the form.

If you prefer, here is a link to order online using a credit card:

If you use this method, no other form is needed just send your receipt/confirmation with your student when they come to the camera. If you get halfway to the photoshoot, and realize you forgot it, no worries... we have an extra copy here at our office. Practice your smile on the way! We look forward to seeing you!

Thank you,
