

6th Grade Rocks

made with sparklee.com

2022-2023

The supplies listed here are general supplies to get a student started. Different teachers sometimes require specific types of supplies for their individual classrooms. To get you started with general supplies for the beginning of school please follow the following list:

- **Folder system to keep papers:** Students will need some type of file system to keep papers for each of their classes. You do not need a 3-ring binder.
 - ☐ Expandable folder with at least 7 pockets

OR

 - ☐ 7 individual two-pocket folders (like a Pee Chee folder)

**Some teachers may prefer that you have a two-pocket folder specific to their class, in addition to an expandable file. An extra two-pocket folder or two would be a good idea to have. You can always save it for next year if you do not use it this year.*
- **Paper:** Please have in a folder or a section of the expandable file a small amount of college ruled notebook paper (loose leaf) to start the school.
- **Notebooks:** Some teachers like to have their students use spiral notebooks, others prefer composition books, and then there are others who do not have a preference. To start the year, it would be best to have the following listed below.
 - ☐ 3 spiral notebooks with college rule paper
 - ☐ 2 composition notebooks (non-spiral)
- **Supply pouch or box:**
 - ☐ Supply pouch or box
 - ☐ Several pencils - mechanical or regular wooden pencils
 - ☐ One pencil sharpener with receptacle (personal size)
 - ☐ Two pens – one blue or black and one red pen for correcting (no neon colors)
 - ☐ Two black Sharpie type markers - 1 fine and 1 extra fine
 - ☐ One highlighter (any color)
 - ☐ Colored pencils – box of 12
 - ☐ One roll of invisible tape (with dispenser – personal size)
 - ☐ One pair of scissors
 - ☐ Basic Scientific Calculator (recommend TI-30x)
 - ☐ Earbuds/headphones (helpful but not required)

There will be times when supplies may need replenishing. We recommend checking supply status at the beginning of every term (every 10 weeks). Some students will rotate every term into new electives and those new classes may require specific supplies.
