

TAHOMA SCHOOL DISTRICT
7th / 8TH GRADE REGISTRATION FORM
2019-2020

Required classes: All students will take English, Social Studies, Science, Math and one semester of PE. Each student’s math class will be assigned based on various data points including, state assessments, district and in class assessments.

Schedule Change Policy:

We encourage students at registration to make thoughtful decisions regarding elective preferences. Students should carefully consider the courses they select because teachers and classes are determined based on course selections of individual students from the previous spring. Therefore, **students who receive the courses they select will not be allowed a schedule change due to a change in preference.**

Students who are on Individual Education Plans (IEPs) receiving special education services will be placed in accordance with the supports outlined on their IEPs.

Directions to complete the form below:

- 1) Review the course listings on the back of this form. Course descriptions can be found in the Middle Level Course Catalog, which is posted on the Maple View homepage.
- 2) 1st Choice electives: Record the elective classes that are your 1st choices. **Students have space in their schedule for either one full year elective and one semester long elective or three semester-long electives** (see the back of this form for elective options).
- 3) Alternate Electives: It is required that you **choose 4 alternate elective classes**, you can live with, in case you are unable to be enrolled in your first one or two choices.
- 4) Enter your course selections on-line in Skyward Family Access. See attached instructions.
- 5) You and your parent/guardian sign this form. **8th graders:** If taking Spanish I-II or Advanced Leadership, attach your completed application to this form. (available in the counseling office).
- 6) **Turn this form into your Science teacher (6th grade) or Social Studies teacher (7th grade) by Friday, March 29th.**
